Dr. Biology is going to lock the door to go make a copy of something.

Dr. Biology is eating (is lunch) but Joe is going to steal the information!

I have it. It's in this box! Oh, given it to me.

I'm going to put the shoe here!

I have the information now! I have to go!

I finally got the information!
I'm so excited, that I'm going to study the ocean! I want to go in the water.

Stephanie grabbed the pressure regulator to go under the ocean.

Crash!!...
what was that house? I'm going to see!

Stephanie loves this anemone.

Stephanie was so excited to see mantos.

Stephanie got this when she was in the ocean.

This is where Tina is going to put the shoe.

Tina, put the shoe here to find out who's shoe is this.
Let's see what it does if I mix this water, with this chemicals.

Tina is trying to heat up the water, with the bunsen burner.

Stephanie is going to study the water.

Stephanie is washing what happens to the water.

Stephanie is measuring the water.

The chemicals were...

Tina is collecting the plants to see what's in it.

Tina is gonna study this plants.
Hey! I got it.

Oh, bring me over there!

Hey, what are you doing with that Bob? That's confidential!

Oh, no. I have to run. Someone is coming.

Are you trying to escape?

Dr. Biology was chasing Joe. He saw Joe with the information.

Joe is trying to escape.

Crack!!

Bob escaped with the information but Joe went to jail.
